

**Public Meeting**  
South Tahoe  
Public Utility District

Proposed Budget  
and Capital  
Improvement Plan

---

**Date: May 3, 2018**  
**Time: 6:00 p.m.**  
**Location: Board Room**  
**1275 Meadow Crest Drive**

---

Please join us for our public meeting and presentation of the District's Water and Sewer Enterprise Budgets for the Fiscal Year Ending June 30, 2019.

Presented at the meeting will be the District's 2019 revenue projections and proposed operating and capital improvement expenditures. The Board of Directors is considering adopting the fifth year water and sewer rate increases from the five-year rate implementation plan developed in 2014 in order to continue with the capital infrastructure improvement plan.

The proposed budgets will be available for review beginning April 25 at the Customer Service office, 1275 Meadow Crest Drive, from 8:00 a.m. - 5:00 p.m., Monday through Friday.
