

Residential Irrigation Efficiency Rebate Application

Rebate Eligibility Requirements:

1. The property must be located within the service area of South Tahoe Public Utility District (District).
2. Irrigation equipment must replace existing automated equipment that is less water-efficient.
3. You must participate in a pre-conversion site visit with a District representative. Irrigation controller upgrades do not require a pre-inspection; save to old controller for post conversion inspection.
4. Submit an application, Irrigation Improvement Worksheets (Attachment A and B) and receive District approval.

Rebate: 50% of eligible equipment and 25% of labor for installation, up to **\$400.00**.

The District will accept applications on a first come, first served basis and may limit rebates based on the availability of funds. Checks are issued only to the account holder or the owner's legally appointed representative. Checks are usually issued 30-60 days after the post conversion inspection and after all documents have been received.

Irrigation Efficiencies May Include:

1. Standardizing all make and models within system to match irrigation precipitation rates.
2. Installing pressure regulation equipment.
3. Converting existing spray equipment to micro-irrigation (drip irrigation).
4. Converting standard spray type nozzles to High Efficiency (HE) nozzles.
5. Utilizing moisture sensors, smart sensors and rain shut-off devices.
6. Upgrading to a weather or sensor based irrigation controller.

If a landscape contractor is used to make irrigation improvements, the District recommends that the work be completed by a CA state licensed landscape contractor holding a C27, a D12 specialty license or a C3 plumbing license for pressure regulation equipment installation as well as a business license.

After Installation is Complete:

1. Request a post conversion inspection by October 15 of the same year that you received District approval.
2. Provide the District representative with a copy of receipts, labor invoice(s) and a completed W-9 tax form.
