

# STPUD's WL Program History

Annual Waterline Replacement (Past and Future)

Before 2010: 16,000 LF/yr (1.2% replacement rate)

Since 2010: 6,000 LF/yr (<0.5% replacement rate)

Proposed Program: 15,000 LF/yr (1.1% replacement rate)

*(Note: In 2024, STPUD plans to install 11,300 LF of NEW waterline and FHs on Pioneer Trail where there currently are none, but will do no WL replacement that year)*
