

SOUTH TAHOE PUBLIC UTILITY DISTRICT

REGULAR BOARD MEETING AGENDA

Thursday, May 19, 2022 - 2:00 p.m.

District Board Room

1275 Meadow Crest Drive, South Lake Tahoe, California

David Peterson, Vice President Chris Cefalu, Director BOARD MEMBERS Shane Romsos, Director Kelly Sheehan, President Nick Exline, Director

John Thiel, General Manager

Paul Hughes, Chief Financial Officer

- 1. <u>CALL TO ORDER REGULAR MEETING PLEDGE OF ALLEGIANCE</u> (At this time, please silence phones and other electronic devices so as not to disrupt the business of the meeting.)
- 2. <u>COMMENTS FROM THE AUDIENCE</u> (This is an opportunity for members of the public to address the Board on any short non-agenda items that are within the subject matter jurisdiction of the District. No discussion or action can be taken on matters not listed on the agenda, per the Brown Act. Each member of the public who wishes to comment shall be allotted five minutes, and no more than three individuals shall address the same subject.)
- 3. <u>CORRECTIONS TO THE AGENDA OR CONSENT CALENDAR</u> (For purposes of the Brown Act, all Action and Consent items listed give a brief description of each item of business to be transacted or discussed.

 Recommendations of the staff, as shown, do not prevent the Board from taking other action.)
- 4. <u>ADOPTION OF CONSENT CALENDAR</u> (Any item can be removed to be discussed and considered separately upon request. Comments and questions from members of the public, staff or Board can be taken when the comment does not necessitate separate action.)
- 5. CONSENT ITEMS BROUGHT FORWARD FOR SEPARATE DISCUSSION/ACTION
- 6. ITEMS FOR BOARD ACTION
 - a. Accessory Dwelling Unit Revisions to the Administrative Code
 (Tim Bledsoe, Manager of Customer Services)
 Approve Ordinance No. 582-22 Amending Section 1 to Add Sections 1.1.2 AND 1.1.86
 and Amending Sections 3.1.11, 3.1.15, 3.1.49, 4.2.10, 4.3.2, AND 4.5.2 of the
 Administrative Code Regarding Accessory Dwelling Units and Junior Accessory Dwelling
 Units.
 - b. Fiscal Year 2022/23 Water and Sewer Service Charge Rates (Paul Hughes, Chief Financial Officer)
 (1) Authorize the use of Sewer Rate Stabilization Funds in the amount of \$2 million in Fiscal Year 2022/23; and, (2) Approve Resolution No. 3220-22 confirming the water and sewer service charge rate increases of 9% and 8% for Fiscal Year 2022/23.

- Fiscal Year 2022/23 Sewer Enterprise Fund Budget
 (Paul Hughes, Chief Financial Officer)
 Adopt Resolution No. 3221-22 adopting the Fiscal Year 2022/23 Sewer Enterprise Fund Budget, and authorize staff to incorporate any adjustments or changes necessary as a result of Board action.
- d. Fiscal Year 2022/23 Water Enterprise Fund Budget
 (Paul Hughes, Chief Financial Officer)
 Adopt Resolution No. 3222-22 adopting the Fiscal Year 2022/23 Water Enterprise Fund Budget, and authorize staff to incorporate any adjustments or changes necessary as a result of Board action.
- e. Approve Payment of Claims (Debbie Henderson, Accounting Manager) Approve Payment of Claims in the amount of \$1,000,450.96.
- 7. <u>STANDING AND AD-HOC COMMITTEES AND LIAISON REPORTS</u> (Discussions may take place; however, no action will be taken.)
- 8. **BOARD MEMBER REPORTS** (Discussions may take place; however, no action will be taken.)
- 9. <u>EL DORADO WATER AGENCY PURVEYOR REPORT</u>
- 10. **STAFF/ATTORNEY REPORTS** (Discussions may take place; however, no action will be taken.)
 - a. Payment of Claims Process Alternatives (Gary Kvistad, Attorney)
- 11. **GENERAL MANAGER REPORT** (Discussion may take place; however, no action will be taken.)
 - a. Staffing Update
 - b. Red Lake Area Water Quality
 - c. California Tahoe Alliance
 - d. United States Forest Service Meetings
 - e. Tahoe Water Suppliers Association

12. **NOTICE OF PAST AND FUTURE MEETINGS/EVENTS**

Past Meetings/Events

05/05/2022 – 2:00 p.m. Regular Board Meeting at the District

05/10/2022 – 3:30 p.m. System Efficiency and Sustainability Committee at the District

05/11/2022 – 10:00 a.m. El Dorado Water Agency Meeting in Placerville

05/16/2022 - 3:30 p.m. Operations Committee Meeting at the District

Future Meetings/Events

06/02/2022 - 2:00 p.m. Regular Board Meeting at the District

- 13. <u>ITEMS FOR CLOSED SESSION</u> (The Board will adjourn to Closed Session to discuss items identified below. Closed Session is not open to the public; however, an opportunity will be provided at this time if members of the public would like to comment on any item listed three-minute limit.)
 - a. Pursuant to Section 54957.6 of the California Government Code. Closed Session may be held for conference with Labor Negotiators: John Thiel, General Manager; Paul Hughes, Chief Financial Officer; and Liz Kauffman, Human Resources Director, regarding Memorandum of Understanding with Stationary Engineers, Local 39.

b. Pursuant to Government Code Section 54957(a)/Conference with Labor Negotiators: Memorandum of Understanding with Management Group. Present at this Closed Session will be Agency Negotiators: John Thiel, General Manager; Paul Hughes, Chief Financial Officer; and Liz Kauffman, Human Resources Director.

ADJOURNMENT (The next Regular Board Meeting is Thursday, June 2, 2022, at 2:00 p.m.)

The South Tahoe Public Utility District Board of Directors regularly meets the first and third Thursday of each month. A complete Agenda packet is available for review at the meeting and at the District office during the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday. A recording of the meeting is retained for 30 days after Minutes of the meeting have been approved. Items on the Agenda are numbered for identification purposes only and will not necessarily be considered in the order in which they appear. Designated times are for particular items only. Public Hearings will not be called to order prior to the time specified, but may occur slightly later than the specified time.

Public participation is encouraged. Public comments on items appearing on the Agenda will be taken at the same time the Agenda items are heard; comments should be brief and directed to the specifics of the item being considered. Please provide the Clerk of the Board with a copy of all written materials presented at the meeting. Comments on items not on the Agenda can be heard during "Comments from the Audience;" however, action cannot be taken on items not on the Agenda.

Backup materials relating to an open session item on this Agenda, which are not included with the Board packet, will be made available for public inspection at the same time they are distributed or made available to the Board, and can be viewed at the District office, at the Board meeting and upon request to the Clerk of the Board.

The meeting location is accessible to people with disabilities. Every reasonable effort will be made to accommodate participation of the disabled in all of the District's public meetings. If particular accommodations are needed, please contact the Clerk of the Board at (530) 544-6474, extension 6203. All inquiries must be made at least 48 hours in advance of the meeting.

SOUTH TAHOE PUBLIC UTILITY DISTRICT

CONSENT CALENDAR Thursday, May 19, 2022

ITEMS FOR CONSENT

a. <u>RESOLUTION TO SUBMIT APPLICATION FOR WATERLINE UPGRADES AND IMPROVEMENT PROJECT CONSTRUCTION LOAN FROM STATE WATER RESOURCES CONTROL BOARD DRINKING WATER STATE REVOLVING LOAN FUND</u>

(Yesenia Pacheco, Grants Coordinator)

Adopt Resolution No. 3219-22 to Apply for Waterline Upgrades and Improvement Project Construction Loan.

b. BIJOU 1 WATERLINE REPLACEMENT PROJECT

(Julie Ryan, Engineering Department Manager)

(1) Approve the proposed Scope of Work from NCE to provide engineering services for the Bijou 1 Waterline Replacement Project; and, (2) Authorize the General Manager to execute Task Order No. 2 in the amount \$135,860.

c. ENVIRONMENTAL FILING FOR VARIOUS PIPELINE REPLACEMENT PROJECTS

(Adrian Combes, Senior Engineer)

(1) Authorize staff to file Categorical Exemption for the Initial Study for the District-Wide Water and Sewer Facilities Upgrade Project; (2) Authorize staff to file a Notice of Exemption for the Tiered Initial Study for the Bijou No.1 and Herbert Walkup Waterline and Facilities Upgrade Project; and, (3) Authorize staff to file a Notice of Exemption for the Tiered Initial Study for the Apache Avenue and Lake Tahoe Boulevard Waterline and Facilities Upgrade Project.

d. REGULAR BOARD MEETING MINUTES: April 21 and May 5, 2022

(Melonie Guttry, Executive Services Manager/Clerk of the Board) Approve April 21 and May 5, 2022, Minutes.

South Tahoe Public Utility District

RESOLUTION NO. 3219-22

A RESOLUTION BY THE BOARD OF DIRECTORS OF THE SOUTH TAHOE PUBLIC UTILITY DISTRICT REIMBURSEMENT RESOLUTION FOR THE WATERLINE UPGRADE & IMPROVEMENT PROJECT

WHEREAS, the South Tahoe Public Utility District (the "Agency") desires to finance the costs of constructing and/or reconstructing certain public facilities and improvements relating to its water and wastewater system, including certain treatment facilities, pipelines, and other infrastructure (the "Project"); and

WHEREAS, the Agency intends to finance the construction and/or reconstruction of the Project or portions of the Project with monies ("Project Funds") provided by the State of California, acting by and through the State Water Resources Control Board (State Water Board); and

WHEREAS, the State Water Board may fund the Project Funds with proceeds from the sale of obligations, the interest upon which is excluded from gross income for federal income tax purposes (the "Obligations"), and

WHEREAS, prior to either the issuance of the Obligations or the approval by the State Water Board of the Project Funds, the Agency desires to incur certain capital expenditures (the "Expenditures") with respect to the Project from available monies of the Agency; and

WHEREAS, the Agency has determined that those monies to be advanced on and after the date hereof to pay the Expenditures are available only for a temporary period, and it is necessary to reimburse the Agency for the Expenditures from the proceeds of the Obligations

NOW, THEREFORE, THE AGENCY DOES HEREBY RESOLVE, ORDER AND DETERMINE AS FOLLOWS:

<u>SECTION 1</u>. The Agency hereby states its intention and reasonably expects to reimburse Expenditures paid prior to the issuance of the Obligations or the approval by the State Water Board of the Project Funds.

<u>SECTION 2</u>. The reasonably expected maximum principal amount of the Project Funds is \$13,046,932.

BOARD AGENDA ITEM 4b

TO: Board of Directors

FROM: Julie Ryan, Engineering Department Manager

MEETING DATE: May 19, 2022

ITEM - PROJECT NAME: Bijou 1 Waterline Replacement Project

REQUESTED BOARD ACTION: (1) Approve the proposed Scope of Work from NCE to provide engineering services for the Bijou 1 Waterline Replacement Project; and, (2) Authorize the General Manager to execute Task Order No. 2 in the amount \$135,860.

DISCUSSION: In 2013, the District issued a Request for Proposals (RFP) seeking engineering support services for waterline replacement design. NCE was one of two firms selected at that time to prepare designs for future waterline projects. Due to funding limitations and a shift in District priority toward water meter installation, NCE was directed to stop work before their design began, and their services were largely unutilized. Now, with the expansion of the waterline replacement program and the need for "shovel ready" projects to be eligible for outside funding, staff has requested that NCE update their Statement of Qualifications and provide a new Proposal to design the Bijou 1 Waterline Replacement Project (Project). The proposed team includes some of their prior members, and some new, well-qualified additions. Staff recommends the NCE team for this waterline design.

The Project is currently budgeted for construction in 2027. However, the District is pursuing multiple sources of outside funding for this Project which would accelerate construction to 2023 or 2024. If outside funding opportunities were not available, this Project would be worked into the staff schedule and designed in-house. But because the District is already utilizing its staff resources to design nearly 30,000 feet of waterline projects for construction in 2023 and 2024, the District needs outside support to prepare this additional Project.

The Project replaces approximately 6,200 feet of undersized and poor condition steel waterlines in the Deer Park and Takela/Fremont neighborhoods (see vicinity map, attached). The Project will upsize water mains, replace water services (tying them to new meters installed in 2016), and add fire hydrants at 500 feet spacing throughout the neighborhood. This Project will also install meters at a few of the remaining locations (in this neighborhood) that were skipped in 2016 due to their complexity. The total anticipated Project cost is \$2,632,000.

Julie Ryan Page 2 May 19, 2022

The proposed work will be performed in two phases. Phase 1, being authorized under this request, includes Tasks 1 through 4, and carries the Project through 90% design. Phase 1 is expected to be complete by late September. At that point, if funding is likely for construction in 2023, staff will return to the Board to request authorization of Phase 2 (Tasks 5 to 9), to prepare construction documents and carry the Project through bidding and construction. If funding is delayed, then the design will be shelved and resume when funding is secured.

The work will be performed by NCE under the District's Master Services Agreement for consulting services (dated September 27, 2013) and Task Order No. 2 for Phase 1 (Tasks 1 through 4) of the defined Scope of Work (attached), on a time and materials basis not to exceed \$135,680.

SCHEDULE: May 2022 - December 2023

COSTS: \$135,860

ACCOUNT NO: 2030.7520 (BIJ1WL)

BUDGETED AMOUNT AVAILABLE: \$150,000

ATTACHMENTS: Scope of Work, Map, Schedule, Rates

CONCURRENCE WITH REQUES	STED A	CTION:		CATEGORY: Water
GENERAL MANAGER:	YES_	g-	NO	
CHIEF FINANCIAL OFFICER:	YES_	PH	NO	

STPUD Bijou #1 Waterline Project

Project Understanding

The Bijou #1 Waterline Project (Project) is focused in the Deer Park neighborhood and will improve water system reliability and fire flow. Older steel watermains are prone to failure and will be replaced with new larger pipelines. South Tahoe Public Utility District (STPUD) requires 8-inch minimum pipelines in most areas with certain exceptions. The area is currently served by 1.5-inch to 6-inch pipelines.

Areas of work noted in Attachment "A" include Juniper Ave, Long Valley Ave, Ash Ave, Pickett Ave, Fir Ave, Treehaven Dr, Sandy Way and Mono Ln. Takela Dr is not a part of the project. Total length of new waterline is estimated at 6,200 linear feet excluding services with over 100 service connections. Services will be replaced and connected to existing meters. Fire Hydrants will be replaced and or added in areas as required by STPUD and/or the local fire district. The terrain is gently sloping and no SEZ's were noted on available mapping.

STPUD is pursuing two different sources of funding for this project: State Revolving Fund and CA State Appropriations. These requirements will be incorporated into the bid documents.

Scope of Services

Task 1 - Project Management

NCE's Project Manager will serve as STPUD's single point of contact on the contract and will have primary responsibility for both, coordinating the efforts of the project team and subconsultants, and on-going coordination of project activities for the duration of the work. Specific project management tasks include project initiation and administration, monthly budget monitoring and invoicing, processing subconsultant invoicing, and scheduling.

NCE's Project Manager will keep STPUD's Project Manager well informed of progress with informal briefings every two weeks via email or phone call. NCE will facilitate a kick-off meeting with the District and prepare the agenda and meeting notes.

Deliverables:

- Monthly invoices
- Project schedule
- Phone calls and/or emails every 2 weeks to the STPUD Project Manager
- Kick-off meeting agenda and notes

Assumption:

Project management duration during Tasks 1 through 7 assumed to be 10 months (approx. May 2022 through February 2023).

Task 2 – Topographic Survey and Utility Mapping

NCE will prepare a topographic base map with survey boundaries generally limited to the right-of-way of work areas and 5-feet into private property where unfenced access is possible. This task will be completed with support from our subcontractor Dundas Geomatics. The survey will be based on Californian Zone II

Lake Tahoe, NV P.O. Box 1760 Zephyr Cove, NV 89448 (775) 588-2505 State Plain Coordinates and NAVD88 vertical datum. NCE will use Drone based LIDAR and low altitude photogrammetry mapping in conjunction with supplemental ground survey to create a topo base map.

The survey work will capture substantial existing surface features such as fences, roads/driveways, pathways/trails, miscellaneous hardscape, surface utilities (with invert elevation for gravity systems), signs, tree trunk locations (over 6" in diameter), and other observed significant features. Spot grades will be shown where required with no contours shown.

NCE will request STPUD file a USA 811 Ticket for utility locating prior to survey. The survey will capture utility markings available at the time of survey.

NCE will perform records research, search and tie existing monuments, and determine the resolved property lines for the Project area.

NCE will perform utility research and solicit for and collect utility facility mapping and available as-builts. This information along with STPUD GIS data will be incorporated into the topographic survey to prepare a base map for the Project area.

Deliverables:

- Topographic Survey, AutoCAD Format
- Utility Mapping Requests
- Project Base Map AutoCAD Format

Assumptions:

- Work areas per Attachment "A". Total ROW mapping required is estimated at 6,200 LF.
- Topographic contour mapping not required

Task 3 – Preliminary Design (50% P&E)

NCE will develop 50% design plans and a preliminary engineer's estimate of probable construction cost in accordance with STPUD standards and comments from the concept design review. NCE will provide a courtesy progress submittal of the 50% P&E to the City of South Lake Tahoe Fire and Public Works Departments. NCE anticipates the following plan sheets:

- Title Sheet
- General Notes
- Material Specifications, Abbreviations, and Legend
- Site Plan and Sheet Key Map
- Waterline Plan Sheets (12) @ 1" =20'
- Paving Plans (6) @ 1"=20'
- Detail Sheets (4)
- Traffic Control Work Zone Plan

The plans will be prepared in AutoCAD Civil 3D 2022, 22" x 34" sheets, drawn at a scale of 1"=20'.

NCE will prepare technical specifications from STPUD templates and will prepare the engineer's estimate of probable construction cost in MS Excel format based on the most recent construction cost data available to NCE. This estimate will be updated and refined in the subsequent design phases.

NCE's Senior Construction Inspector will perform a constructability review prior to submission of the 50% design documents. The relevant findings and comments from the constructability review will be incorporated into the design.

Deliverables:

- 50% plans electronic files only
- Progress submittals to the City of South Lake Tahoe Fire and Public Works Departments (one full size hard copy each)

Assumptions:

- Construction BMP's to be shown on Plan sheets
- Pavement Structural Design not included
- Hydraulic Modeling not included
- Waterline profiles not required except at vertical offsets
- 🗱 STPUD to provide Technical Specification template in Word format

Task 4 – 90% Design (90% P&E)

NCE will address STPUD's review comments on the preliminary design and prepare the 90% PS&E. The 90% Plans and Technical Specifications will reference conformance to the latest regulations and standards by TRPA, AWWA, State of California DDW, Caltrans, City of South Lake Tahoe, El Dorado County, and STPUD, as appropriate. Technical provisions will be prepared with approved deviations from standards where allowed and for items not adequately covered in the standard regulations.

The 90% Plans will include the necessary technical information expected at this design stage including appropriate details and detailed connections as well as paving limits as agreed to with the City. The 90% PS&E will be submitted to STPUD for review and comment. If requested and deemed beneficial, NCE will meet with STPUD to review the comments prior to preparing the Final PS&E.

NCE will prepare the technical specifications and will update the engineer's estimate of probable construction cost with the latest quantity take-off and available unit prices.

Deliverables:

- 90% plans electronic files only
- QA/QC prior to 90% P&E issuance

Task 5 – Construction Documents (Final PS&E)

NCE will address STPUD's review comments on the 90% P&E and prepare the Final PS&E. The Final Plans and Technical Specifications will show necessary technical information for a final plan submittal including layout information, details, and construction notes. The final plans and specifications will be signed and sealed by a California Registered Professional Civil Engineer in responsible charge of preparation.

The engineer's estimate of probable construction cost will be updated with the final quantity take-off and latest available unit prices. The Plans and specifications will be submitted to STPUD for bidding purposes.

Deliverables:

- Final plans electronic files only
- Final plans and technical specifications for bidding purposes

QA/QC prior to Final issuance

Assumptions:

- STPUD to provide Front-end Contract document template in Word format.
- STPUD is pursuing two different sources of funding for this project: State Revolving Fund and CA State Appropriations. These requirements will be incorporated into the bid documents

Task 6 – Permitting Assistance

NCE will support the District with preparation of the following permits and notifications:

Deliverables:

- City of South Lake Tahoe Encroachment Permit application and coordination
- Letter to TRPA notifying them of the project and Exempt status under STPUD's MOU.
- Letter to Department of Drinking Water requesting design waivers for areas in conflict with design requirements.

Assumptions:

- TRPA permitting is not required
- Preparation of a SWPPP is not included nor anticipated
- CEQA and NEPA by others. Project is expected to be Categorically Exempt
- # Environmental Studies are not included
- Permit Fees to be paid for by STPUD

Task 7 – Bidding Support Services

NCE will be available during the bidding process to answer technical questions and respond to RFIs. Questions and responses will be documented and provided to STPUD. Questions regarding legal aspects of the contract documents will be referred directly to STPUD.

Deliverables:

- Up to two addendums, if required, in Word and PDF formats
- Conformed Documents –PDF format

Assumptions:

- Attendance at the pre-bid meeting and bid tabulation are not included.
- 2-month maximum Bid period.

Task 8 – Construction Support Services

Task 8a - Basic Construction Support

- Review and respond to up to five RFIs
- Review and respond to up to five submittals
- Participation in up to two construction meetings
- Project Management

Task 8b - Optional Construction Support

- Attend Preconstruction Conference
- Engineer representation at up to twenty weekly on-site progress meetings
- Review of materials testing results
- Prepare field variances and field changes documentation as it pertains to design
- Review Traffic control plan submittal
- Review Contractor change orders
- Review of monthly pay requests
- Additional Project Management

Task 8c - Optional Construction Observation

- Construction observation and coordination with the STPUD project manager and inspector (assumes 3 hours on site per day, 300 hours total maximum)
- Observe the improvements are constructed per plan
- Coordinate materials testing activities; grab samples as needed
- Senior Construction Manager Support of task 8b

Exclusions:

- Construction Staking
- Performing materials testing activities or sample delivery
- Coordination with community during construction
- SWPPP preparation or monitoring

Assumptions:

- STPUD to manage construction contract
- 100 construction working days

Task 9 – As-built Drawings

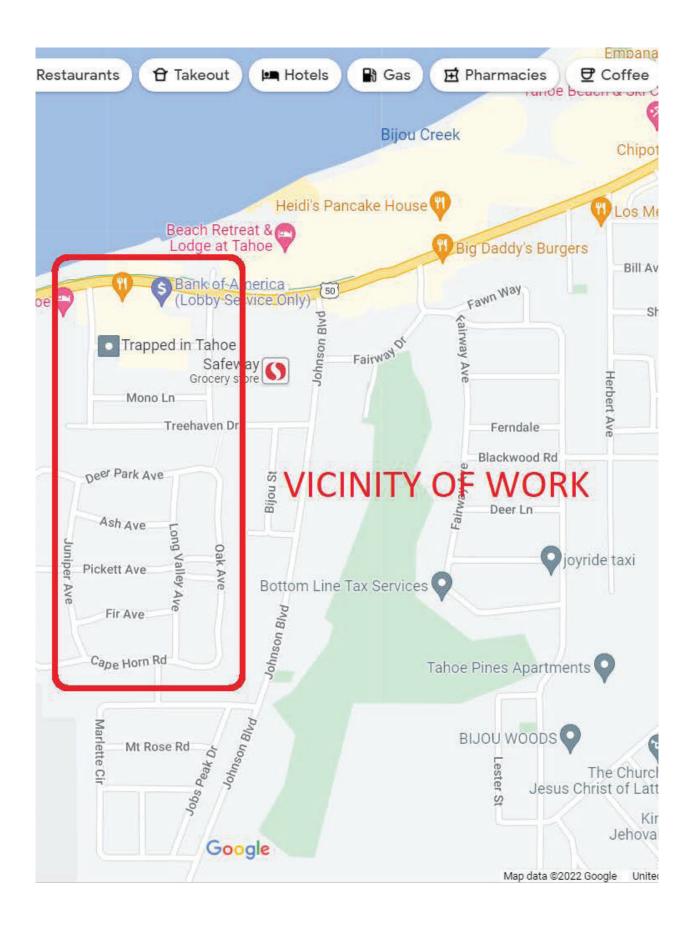

NCE will incorporate the Contractor's construction drawings that include design changes into record asbuilt drawings. NCE will prepare an as-built survey of water system surface features including valve cans, meters, and hydrants. The final record drawings will be identified, dated, and signed as the record drawings and will contain the engineer's stamp and signature.

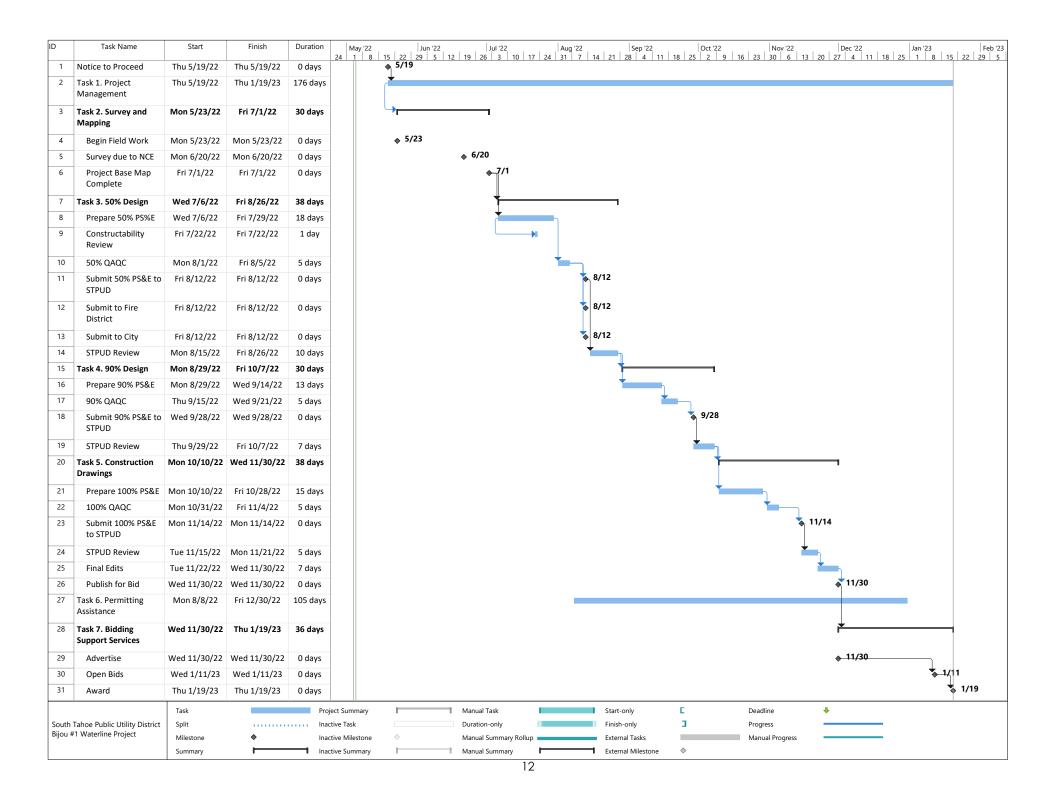

Deliverables:

Final record drawings - electronic files only

Assumptions:

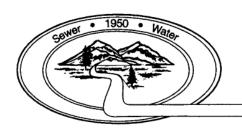

A field set of project drawings incorporating contractor record drawing mark-ups shall be maintained by others and provided to NCE.

BOARD AGENDA ITEM 4c

TO: Board of Directors

FROM: Adrian Combes, Senior Engineer

MEETING DATE: May 19, 2022

ITEM - PROJECT NAME: Environmental Filing for Various Pipeline Replacement

Projects

REQUESTED BOARD ACTION: (1) Authorize staff to file a Categorical Exemption based on the Initial Study for the District-Wide Water and Sewer Facilities Upgrade Project; (2) Authorize staff to file a Notice of Exemption for the Tiered Initial Study for the Bijou No.1 and Herbert Walkup Waterline and Facilities Upgrade Project; and, (3) Authorize staff to file a Notice of Exemption for the Tiered Initial Study for the Apache Avenue and Lake Tahoe Boulevard Waterline and Facilities Upgrade Project.

DISCUSSION: The District has extensive plans for waterline and sewer line replacements in the next ten years. To get a jump start on environmental documentation requirements of the California Environmental Quality Act (CEQA) and to comply with loan requirements of the California State Revolving Fund, in August 2020, the Board authorized staff to work with its consultants to prepare a District-Wide Initial Study for future pipeline replacement projects (water and sewer) within the rights-of-way. The study determined that these pipeline replacements projects qualify for CEQA Categorical Exemption because the District is performing work to maintain or replace existing facilities with negligible expansion. Pipeline replacements falling within a stream environment zone (SEZ) or outside of the rights-of-way were excluded from the study.

As determined by the District-Wide Initial Study, follow-up tiered initial studies are required for specific project areas when the project extends outside the right-of-way or in an SEZ. These tiered studies have been performed for four specific pipeline projects and split into two reports. The first report is for the Bijou No. 1 and Herbert-Walkup Waterline Replacement Projects and the second report is for the Apache Avenue and

Adrian Combes Page 2 May 19, 2022

Lake Tahoe Boulevard Waterline Replacement Projects, because these projects have pipeline work within the boundaries of SEZs. These studies also determined that the work on these four projects qualify for CEQA Categorical Exemptions because the projects are not anticipated to have any substantial environmental impact, even in SEZ areas.

With approval, staff will file a Notice of Exemption for the three reports listed above with the El Dorado County Clerk and the State Clearing House.

SCHEDULE: Upon approval **COSTS**: Approximately \$200 **ACCOUNT NO**: 20.30.6650

BUDGETED AMOUNT AVAILABLE: \$1,219

John Thiel, General Manager

Paul Hughes, Chief Financial Officer

REGULAR MEETING OF THE BOARD OF DIRECTORS SOUTH TAHOE PUBLIC UTILITY DISTRICT April 21, 2022 MINUTES

The South Tahoe Public Utility District Board of Directors met in a regular session, 2:00 p.m., at the District Office, located at 1275 Meadow Crest Drive, South Lake Tahoe, California.

ROLL CALL: Board of Directors: President Sheehan, Directors Romsos, Exline

Absent: Directors Cefalu, Peterson

Staff: John Thiel, Gary Kvistad, Paul Hughes, Melonie Guttry, Mary Alsbury, Ivo Bergsohn, Chris Stanley, Dan Arce, Tim Bledsoe, Jessica Henderson, Cuz Cullen, Julie Ryan

Guests: Shawn Koorn, HDR Engineering

- 1. PLEDGE OF ALLEGIANCE:
- 2. **COMMENTS FROM THE AUDIENCE:** None
- 3. CORRECTIONS TO THE AGENDA OR CONSENT CALENDAR:

 Melonie Guttry announced that Action Items 6a and 6b should be Items 7a and 7b.
- 4. ADOPTION OF CONSENT CALENDAR:

<u>Moved Romsos/Second Exline/Sheehan Yes/Cefalu Absent/Romsos Yes/Peterson Absent/Exline Yes</u> to approve the Consent Calendar with changes as presented.

 VIRTUAL BOARD MEETINGS RELATED TO ASSEMBLY BILL 361 DUE TO COVID-19 STATE OF EMERGENCY PROCLAMATION

(John Thiel, General Manager)

Approved Resolution No. 3216-22 allowing for South Tahoe Public Utility District to conduct virtual public meetings for 30 days.

b. <u>RESOLUTION FOR BUREAU OF RECLAMATION WATERSMART SMALL-SCALE WATER EFFICIENCY PROJECTS FISCAL YEAR 2022 GRANT</u> (Yesenia Pacheco, Grants Coordinator)

Adopted Bureau of Reclamation WaterSMART Small-Scale Water Efficiency Projects Grant Program Resolution No. 3217-22 approving grant funding for a Pressure Reducing Valve Installation Program.

C. TALLAC CREEK SEWER CROSSING

(Ivo Bergsohn, Hydrogeologist)

Accepted the Cost Proposal from Northwest Hydraulic Consultants, to provide engineering services for construction of the Tallac Creek Sewer Pipeline Protection Project in the amount of \$48,794.

d. REGULAR BOARD MEETING MINUTES: April 7, 2022

(Melonie Guttry, Executive Services Manager/Clerk of the Board) Approved April 7, 2022, Minutes.

5. CONSENT ITEMS BROUGHT FORWARD FOR SEPARATE DISCUSSION/ACTION

None

6. PRESENTATION: Shawn Koorn of HDR Engineering, provided a PowerPoint presentation and addressed questions from the Board and staff. By Consensus, the Board directed staff to develop sewer capacity charges based on structural square footage and water capacity based on meter size, as presented today.

7. ITEMS FOR BOARD ACTION

a. Adoption of the first five-year update to the Alternative Plan for the portion of the Tahoe Valley South Subbasin located within the South Tahoe Public Utility District's jurisdictional boundaries (Ivo Bergsohn, Hydrogeologist) – <u>President Sheehan</u> opened the Public Hearing at 2:29 p.m. to receive public comments regarding the South Tahoe Public Utility District's consideration and proposed adoption of the first five-year update to the Alternative Plan for the portion of the Tahoe Valley South Subbasin located within its jurisdictional boundaries. <u>Ivo Bergsohn</u> provided a PowerPoint presentation regarding the Alternative Plan and addressed questions from the Board. There were no public comments received and the Public Hearing was closed at 3:00 p.m.

<u>Moved Sheehan/Second Romsos/Sheehan Yes/Cefalu Absent/Romsos Yes/Peterson</u>
<u>Absent/Exline Yes</u> to adopt Resolution No. 3215-22 adopting the first five-year update to the Alternative Plan for the portion of the Tahoe Valley South Subbasin located within its jurisdictional boundaries.

b. First five-year update of the Alternative Plan for the portion of the Tahoe Valley South Subbasin located within the South Tahoe Public Utility District's jurisdictional boundaries (Ivo Bergsohn, Hydrogeologist) – <u>Ivo Bergsohn</u> provided details regarding the first five-year update of the Alternative Plan for portion of the Tahoe Valley South Subbasin superseding the 2014 Groundwater Management Plan and addressed questions from the Board.

<u>Moved Romsos/Second Sheehan/Sheehan Yes/Cefalu Absent/Romsos Yes/Peterson</u>
<u>Absent/Exline Yes</u> to adopt Ordinance 580-22 repealing Section 7 of the Administrative Code regarding the District's 2014 Groundwater Management Plan.

<u>Attorney Kvistad</u> commented that this Ordinance Section may come back to the Board at a later time, specifically related to action necessary to implement the Groundwater Alternative Plan.

c. Approve Payment of Claims (Debbie Henderson, Accounting Manager)

<u>Moved Sheehan/Second Exline/Sheehan Yes/Cefalu Absent/Romsos Yes/Peterson Absent/Exline Yes to approve Payment of Claims in the amount of \$1,919,830.12.</u>

8. STANDING AND AD-HOC COMMITTEES AND LIAISON REPORTS:

<u>Director Exline</u> reported that the Ad-Hoc Solar Committee met to discuss details for the solar program.

<u>Director Romsos</u> added that solid plans for action are coming to the Board very soon.

<u>Director Romsos</u> reported that the Operations Committee met on Monday, April 18, 2022, and <u>Julie Ryan</u> provided details regarding Red Lake Road ongoing water quality complaints (color and odor), and addressed questions from the Board. She provided details of the issue, which is not associated with health conditions, just affecting color and odor and that the District is working through mitigation measures.

<u>Chris Stanley</u> added that the State Water Board is aware of this issue and the District has been in contact with representatives there.

9. BOARD MEMBER REPORTS:

<u>Director Exline</u> reported <u>Shelly Thomsen</u> has been working on details for Earth Day festivities and that the Board appreciates those efforts.

10. EL DORADO WATER AGENCY PURVEYOR REPORT:

<u>John Thiel</u> reported <u>Ivo Bergsohn</u> provided a presentation at the regular meeting on April 13, 2022. <u>John Thiel</u> and <u>Dave Peterson</u> had a meeting with <u>Ken Payne</u> regarding funding for cost share programs and ongoing funding for the Groundwater Sustainability Agency and additional collaboration regarding state and federal lobbying.

11. STAFF/ATTORNEY REPORTS:

Nothing to report

12. GENERAL MANAGER REPORT:

John Thiel reported on several items:

- Provided a staffing update
- Provided an update regarding the California Tahoe Alliance (CTA) climate resiliency action strategy. The District is planning to host a Tahoe caucus this summer which will focus on the Caldor Fire.
- The CTA met in Sacramento April 19 and 20, for lobbyist days. Twelve CTA members
 participated in 15 different meetings over the two days with California legislators and their
 staff discussing the need to fund waterlines for fire suppression.
- The Lake Tahoe Summit is scheduled for August 16, 2022, hosted by **Senator Jackie Rosen**.

13. NOTICE OF PAST AND FUTURE MEETINGS/EVENTS

ADJOURNMENT: 3:35 p.m.

Paul Hughes, Chief Financial Officer

REGULAR MEETING OF THE BOARD OF DIRECTORS SOUTH TAHOE PUBLIC UTILITY DISTRICT May 5, 2022 MINUTES

The South Tahoe Public Utility District Board of Directors met in a regular session, 2:00 p.m., at the District Office, located at 1275 Meadow Crest Drive, South Lake Tahoe, California.

ROLL CALL:

Board of Directors: President Sheehan, Directors Romsos, Peterson, Exline

Absent: Director Cefalu

Staff: John Thiel, Gary Kvistad, Paul Hughes, Melonie Guttry, Tim Bledsoe, Adrian Combes, Chris Stanley, Jessica Henderson, Cuz Cullen, Bren Borley, Greg DuPree, Chris Skelly, Dan Arce, Steve Caswell

Guests: Jesse Garner

1. PLEDGE OF ALLEGIANCE:

- 2. <u>COMMENTS FROM THE AUDIENCE:</u> <u>Jesse Garner</u> expressed appreciation on behalf of the Montgomery Estates neighborhood that the District maintains their property in keeping defensive space. Saturday, May 7, fire defensible space day. The Board expressed their appreciation for the Montgomery Estates neighborhood positive comments.
- 3. CORRECTIONS TO THE AGENDA OR CONSENT CALENDAR:

Director Peterson would like to pull Item 4c for discussion.

4. ADOPTION OF CONSENT CALENDAR:

<u>Moved Peterson/Second Exline/Sheehan Yes/Cefalu Absent/Romsos Absent/Peterson Yes/Exline Yes</u> to approve the Consent Calendar with changes as presented.

a. SECONDARY CLARIFIER NO. 3 REHABILITATION PROJECT

(Stephen Caswell, Principal Engineer)
Approved Change Order No. 2 to TNT Industrial Contractors, Inc., in the amount of <\$52,120.14>.

b. **2022 PURCHASE AND INSTALLATION OF FIRE HYDRANTS, VALVES AND ASSEMBLIES** (Chris Stanley, Field Operations Manager and Heidi Baugh, Purchasing Agent)

Awarded a Contract for the purchase of 37 fire hydrant assemblies and valves to lowest responsive, responsible bidder, American AVK Company, in the amount of \$103,665.61.

C. INFORMATION TECHNOLOGY STRATEGIC PLAN UPDATE

(Chris Skelly, Information Technology Manager)

Authorized staff to enter into a Contract with Government Technology Group, LLC, for professional services to develop an updated Information Technology Strategic Plan and to complete a Network Vulnerability Assessment for a cost not to exceed \$78,340.

5. CONSENT ITEMS BROUGHT FORWARD FOR SEPARATE DISCUSSION/ACTION

a. <u>VIRTUAL BOARD MEETINGS RELATED TO ASSEMBLY BILL 361 DUE TO COVID-19 STATE OF EMERGENCY PROCLAMATION</u> (John Thiel, General Manager)

<u>Director Peterson</u> raised a concern that he doesn't feel that the District is in a state of emergency and that the community is no longer in a COVID-19 state of emergency; therefore, the District should go back to business as usual. The Board discussed the ability to be flexible with virtual meetings.

<u>Moved Peterson/Second Sheehan/Sheehan Yes/Cefalu Absent/Romsos No/Peterson</u>
<u>Yes/Exline Yes</u> to deny Resolution No. 3218-22 allowing for South Tahoe Public Utility District to conduct virtual public meetings for 30 days.

6. ITEMS FOR BOARD ACTION

a. Bijou Pump Station Rehabilitation Project (Adrian Combes, Senior Engineer) – <u>Adrian Combes</u> provided details and maps along with photos regarding the Bijou Pump Station Rehabilitation Project and addressed questions from the Board.

<u>Moved Sheehan/Second Romsos/Sheehan Yes/Cefalu Absent/Romsos Yes/Peterson Yes/Exline Yes</u> to 1) Approve the proposed Scope of Work from Water Systems Consulting, Inc., to provide engineering services for the Bijou Pump Station Rehabilitation Project; and, 2) Authorize the General Manager to execute Task Order No. 2 in the amount \$116,411.

b. Setting Water and Sewer Capacity Charges - (Paul Hughes, Chief Financial Officer) – <u>Paul Hughes</u> provided details regarding the water and sewer capacity charges in connection with the recent presentation provided by HDR, <u>Shawn Koorn</u>, and addressed questions from the Board. <u>Attorney Kvistad</u> added that construction cost index adjustment protects the capacity charges from inflation.

Moved Sheehan/Second Romsos/Sheehan Yes/Cefalu Absent/Romsos Yes/Peterson
Yes/Exline Yes to adopt Ordinance No. 581-22, an Ordinance of the South Tahoe Public Utility
District, Setting Water Capacity Charges and Sewer Connection Fees and Amending
Administrative Code Sections 3.1.49(a), 3.1.49(c), 3.1.49(e), 4.5.7 and Associated Appendix Fee
Schedules, directing staff to research the most appropriate index for the Tahoe area and include that reference in the Ordinance.

c. Approve Payment of Claims (Debbie Henderson, Accounting Manager)

<u>Moved Sheehan/Second Peterson/Sheehan Yes/Cefalu Absent/Romsos Yes/Peterson Yes/Exline Yes</u> to approve Payment of Claims in the amount of \$2,267,169.47.

7. STANDING AND AD-HOC COMMITTEES AND LIAISON REPORTS:

<u>Director Peterson</u> reported that he represented the Board at the Employee Communications Committee meeting on April 20, 2022. He also attended the Association of California Water Agencies (ACWA) and Joint Powers Insurance Association conference in Sacramento May 3 through the 5. The District is in Region 3 of ACWA, and <u>Ivo Bergsohn</u> presented Region 3 with a great groundwater presentation.

8. **BOARD MEMBER REPORTS:**

<u>Director Exline</u> reported he attended Earth Day yesterday, along with <u>Director Romsos</u>, both reporting it to be successful.

9. EL DORADO WATER AGENCY PURVEYOR REPORT:

<u>Director Peterson</u> reported that the April 13 meeting included a Public Hearing for the Groundwater Sustainability Plan which was approved. On April 21, he and <u>John Thiel</u> had a virtual meeting with El Dorado Water Agency (EDWA) leadership discussing how the District can work more effectively with them. <u>John Thiel</u> added that the District has made requests for: 1. HARPA Funds; 2. Cost Share Projects; and, 3. Groundwater Management.

10. STAFF/ATTORNEY REPORTS:

None

11. GENERAL MANAGER REPORT:

John Thiel reported on several items:

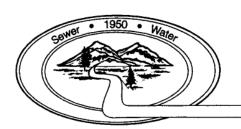

- Provided a staffing update
- Provided details regarding a productive meeting with Lake Valley Fire Department yesterday reviewing site and utility plans for the District's property on the corner of Pioneer Trail and Black Bart.
- The Board has been discussing the current Payment of Claims process and legal counsel has done some work on this subject. Attorney Kvistad added that the Public Utility Code requires that the Board of Directors approves Payment of Claims, but there is an exception. There is a Government Code Section that allows a delegation of authority with certain restraints, to certain officers at the District and there must be two officers to approve Payment of Claims. This process can be as simple or complex as the Board pleases. The process would require that if the claims were approved by officers, those claims would be brought forward at the next meeting for acceptance and filing by the Board. There is a little more research to be done regarding the definition of officers (whether this term includes Board members) and if officers are required to be bonded. The Board discussed several options. Any change would be adopted by a Resolution and included in the Board Policy Manual.
- Provided an update regarding Red Lake Road water quality, which was brought to the
 Board's attention on April 7th. Test results are indicating elevated levels of iron in the Red
 Lake Road neighborhood, which is not a health hazard, but a taste and odor issue. <u>Dan
 Arce</u> explained the testing process and addressed questions from the Board. The District
 has Initiated low volume flushing and is seeing reduced levels of iron as a result. The flushing
 will continue until the waterline replacement in this neighborhood is complete.

• <u>John Thiel</u> addressed questions from the Board regarding the childcare crisis in our community. He further addressed questions regarding community fire hydrants. <u>Chris Stanley</u> and <u>Steve Caswell</u> commented on the progress being made.

BOARD AGENDA ITEM 6a

TO: Board of Directors

FROM: Tim Bledsoe, Manager of Customer Service

MEETING DATE: May 19, 2022

ITEM - PROJECT NAME: Accessory Dwelling Unit Revisions to the Administrative Code

REQUESTED BOARD ACTION: Approve Ordinance No. 582-22 Amending Section 1 to Add Sections 1.1.2 AND 1.1.86 and Amending Sections 3.1.11, 3.1.15, 3.1.49, 4.2.10, 4.3.2, AND 4.5.2 of the Administrative Code Regarding Accessory Dwelling Units and Junior Accessory Dwelling Units

DISCUSSION: In the last several years, the State of California has passed legislation to address statewide housing shortages. Some of that legislation has involved permitting of accessory dwelling units (ADUs) and junior ADUs (JADUs). These changes to State Law prohibit the South Tahoe Public Utility District (District) from considering an ADU or JADU to be a new residential use for purposes of calculating water and sewer connection fees or capacity charges and requiring separate water meters or sewer connections from an ADU or JDAU, except under certain limited circumstances. Amendment of the Administrative Code is necessary to specify when the District cannot charge a connection fee or capacity charge for an ADU or JADU and when the District cannot require a separate water connection and meter or sewer connection.

In the limited circumstances where the District may charge a capacity charge or connection fee, District staff considered not implementing such a charge or fee if the property was deed restricted prohibiting short-term rental arrangements, similar to the approach implemented by the Tahoe Regional Planning Agency (TRPA) and the City of South Lake Tahoe (City). However, TRPA and the City have general police powers, allowing them to regulate for public health, safety and welfare. This includes land use regulation of short-term rentals. Special districts, such as the District, however, do not have general police powers. Further, the District is prohibited from imposing fees unrelated to the services provided, such as Incentivizing deed-restricting a property to prohibit short-term rentals, since it is unrelated to the purposes of a connection fee or capacity charge.

Tim Bledsoe Page 2 May 19, 2022

As a result, District staff recommends the following for ADUs and JADUs: (1) avoiding the nuances in determining when the District may or may not charge a capacity charge or connection fee; (2) not charging any capacity charge or connection; and, (3) not requiring a new water or sewer connection. District staff believes that this approach will assist in promoting the development of affordable housing within its jurisdiction and simplify compliance for District staff.

ORDINANCE NO. 582-22

AN ORDINANCE OF THE SOUTH TAHOE PUBLIC UTILITY DISTRICT AMENDING SECTION 1 TO ADD SECTIONS 1.1.2 AND 1.1.86 AND AMENDING SECTIONS 3.1.11, 3.1.15, 3.1.49, 4.2.10, 4.3.2, AND 4.5.2 OF THE ADMINISTRATIVE CODE REGARDING ACCESSORY DWELLING UNITS AND JUNIOR ACCESSORY DWELLING UNITS

BE IT ENACTED by the Board of Directors of the South Tahoe Public Utility District, County of El Dorado, State of California, as follows:

SECTION I – POLICY AND PURPOSE

The purpose of this Ordinance is to adopt certain changes to the Administrative Code to comply with State Law regarding capacity charges, connection fees and metering devices for accessory dwelling units and junior accessory dwelling units

SECTION II - DEFINITIONS

For the purpose of this Ordinance, the terms used herein are defined as follows:

- A. The District. The South Tahoe Public Utility District.
- B. <u>The Board.</u> The Board of Directors of the South Tahoe Public Utility District.
- C. <u>Administrative Code.</u> The compilation and codification of all of the Administrative, Water, and Sewer Ordinances of the District, which establish the authority and the principles for decisions of the District and provide the public with guidelines applicable to District operations.

SECTION III – FINDINGS

The Board of Directors of the South Tahoe Public Utility District, County of El Dorado, State of California, make the following findings:

1. Recent changes to State Law prohibit the District from considering an accessory dwelling unit to be a new residential use for purposes of calculating water and sewer connection fees and capacity charges and requiring separate water and sewer connections from an accessory dwelling unit or junior accessory dwelling unit, except under certain specified circumstances;

- 2. Amendment of the Administrative Code is necessary to specify when the District cannot charge a connection fee or capacity charge for an accessory dwelling unit or junior accessory dwelling unit;
- 3. Amendment of the Administrative Code is also necessary to specify when the District cannot require a separate water connection and meter or sewer connection for an accessory dwelling unit or junior accessory dwelling unit; and,
- 4. The Board of Directors has determined that it is in the best interest of the District and the public to make these amendments to the Administrative Code.

SECTION IV – AMEND SECTION 1 OF THE ADMINISTRATIVE CODE

Administrative Code Section 1 shall be amended to add a new section 1.1.2 and 1.1.86 and renumber the existing sections definitions sequentially, as follows:

- 1.1.2. Accessory Dwelling Unit. "Accessory dwelling unit" means an attached or a detached residential dwelling unit that provides complete independent living facilities for one or more persons, is located on a lot with a proposed or existing primary residence, meets the requirements of Government Code section 65852.2, as may be amended, and is approved by the applicable land use agency.
- **1.1.86.** Junior Accessory Dwelling Unit. "Junior accessory dwelling unit" means a unit that is no more than 500 square feet in size and contained entirely within an existing or proposed single-family structure, meets the requirements of Government Code section 65852.22, as may be amended, and is approved by the applicable land use agency.

SECTION V – AMEND SECTION 3.1.11 OF THE ADMINISTRATIVE CODE

Administrative Code section 3.1.11 shall be amended to add subparagraph "h" to the section:

"h. Notwithstanding the above, the District shall not require payment of an Administrative Fee for development of an Accessory Dwelling Unit or Junior Accessory Dwelling Unit.

SECTION VI – AMEND SECTION 3.1.15 OF THE ADMINISTRATIVE CODE

Administrative Code section 3.1.15 shall be amended to add the following language at the end of the paragraph:

"An Accessory Dwelling Unit or a Junior Accessory Dwelling Unit shall not require a new or separate service connection or metering device. The District

may require that the connection and meter serving an existing single-family dwelling unit or the Accessory Dwelling Unit be upsized as necessary."

SECTION VII – AMEND SECTION 3.1.49 OF THE ADMINISTRATIVE CODE

Administrative Code section 3.1.49 shall be amended to add the following paragraph at the end of the section:

"No Water Capacity Charge shall be assessed for the development of an Accessory Dwelling Unit or Junior Accessory Dwelling Unit."

SECTION VIII – AMEND SECTION 4.2.10 OF THE ADMINISTRATIVE CODE

Administrative Code section 4.2.10 shall be amended to add subparagraph "g" to the section:

"g. Notwithstanding the above, the District shall not require payment of an Administrative Fee for development of an Accessory Dwelling Unit or Junior Accessory Dwelling Unit.

SECTION IX – AMEND SECTION 4.3.2 TO ADD SECTION 4.3.2.5 TO THE ADMINISTRATIVE CODE

Section 4.3.2 shall be amended to add subsection 4.3.2.5 to the Administrative Code:

"4.3.2.5. Accessory Dwelling Unit and Junior Accessory Dwelling Unit. An Accessory Dwelling Unit and Junior Accessory Dwelling Unit shall not require a separate sewer connection to the Public Sewer."

SECTION X – AMEND SECTION 4.5.2 OF SECTION 4 OF THE ADMINISTRATIVE CODE

Section 4.5.2 of the Administrative Code shall be amended to add subparagraph "g" to the section:

"g. Notwithstanding the above, no connection fee shall be assessed for the development of an Accessory Dwelling Unit or Junior Accessory Dwelling Unit."

SECTION XI – SEVERABILITY

If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Ordinance and its implementing rules and regulations is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portions of this Ordinance or the Administrative Code. The Board of Directors declares and determines that it would have passed section, subsection subdivision, paragraph, sentence, clause or phrase thereof of this Ordinance and its implementing rules and regulations and the Administrative

Code irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases may be determined to be unconstitutional or invalid.

SECTION XII – EFFECTIVE DATE

Utility District at its duly held regular meeting on the 19th day of May, 2022 by the

PASSED AND ADOPTED by the Board of Directors of the South Tahoe Public

This Ordinance amending the above referenced section to the Administrative Code shall take effect 30 days after its passage.

BOARD AGENDA ITEM 6b

TO: Board of Directors

FROM: Paul Hughes, Chief Financial Officer

MEETING DATE: May 19, 2022

ITEM - PROJECT NAME: Fiscal Year 2022/23 Water and Sewer Service Charge Rates

REQUESTED BOARD ACTION: (1) Authorize the use of Sewer Rate Stabilization Funds in the amount of \$2 million in Fiscal Year 2022/23; and, (2) Approve Resolution No. 3220-22 confirming the water and sewer service charge rate increases of 9% and 8% for Fiscal Year 2022/23.

DISCUSSION: On May 16, 2019, the Board of Directors passed Ordinance No. 573-19 which included five-year rate schedules for both water and sewer service charge rates. The rate increases were developed to begin funding the long-term infrastructure needs of the District. The Ordinance adopted the rates for Fiscal Year 2019/20, but required confirmation by resolution from the Board before the rates for years 2020/21, 2021/22, 2022/23 and 2023/24 are effective. Due to the Board's non-confirmation of the rate increases for years 2020/21 and 2021/22, the maximum Prop 218 authorized rate increases for 2022/23 are 19.1% for water service (6% X 3 years compounded) and 15.7% for sewer service (5% X 3 years compounded). To help lessen the one-year increase, staff recommended splitting the impact of the 0% rate increases over the next two years, with increases of 13.1% for water and 10.25% for sewer for 2022/23 and 2023/24.

During the March 1, 2022, Finance Committee meeting, following discussion of the staff recommended rate increases, Committee Member Peterson suggested utilizing a portion of the Sewer Rate Stabilization Fund to offset the staff recommended increases for 2022/23 and 2023/24. During the March 23, 2022, Board Workshop, District staff presented a new ten-year rate increase schedule capable of funding the current "Needs Based" Capital Improvement Plan. The rate schedule as presented included \$2 million rate stabilization subsidized increases of 9% to water rates and 8% to sewer rates for 2022/23. Staff was directed to move forward with the rate increases as presented. The fiscal impact to a typical residential customer is \$8.93/month or \$26.80/quarter. Resolution No. 3220-22 confirms the rates for 2022/23; water increase of 9.0% and sewer increase of 8.0%.

Paul Hughes Page 2 May 19, 2022

The proposed 2022/23 budget has been developed with these rate increases and is scheduled for adoption following Board action on this Agenda Item. If Resolution 3220-22 is not adopted as prepared, the budget will need to be adopted with Board direction to adjust the revenues and expenditures accordingly.

RESOLUTION NO. 3220-22

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SOUTH TAHOE PUBLIC UTILITY DISTRICT CONFIRMING THE WATER AND SEWER SERVICE CHARGE RATES FOR FISCAL YEAR 2022/23

WHEREAS, on May 16, 2019, the Board of Directors of the South Tahoe Public Utility District held a public hearing on proposed changes in rates and charges which were issued with a Proposition 218 notice that was mailed to all District account holders; and

WHEREAS, on May 16, 2019, the Board of Directors of the South Tahoe Public Utility District approved Ordinance 573-19, adopting a five-year water service charge rate schedule and a five-year sewer service charge rate schedule; and

WHEREAS, Ordinance 573-19 requires the District's Board of Director's confirmation of the water and sewer service charge rates in Fiscal Years 2020/21, 2021/22, 2022/23 and 2023/24; and

WHEREAS, on March 23, 2022, the Board of Directors of the South Tahoe Public Utility District held a public meeting and directed District staff to develop the proposed budget for fiscal year 2022/23 with a proposed water service charge rate increase of 9.0% and a sewer service charge rate increase of 8.0% to fund the 2022/23 capital improvement plan and operating budget of the Water and Sewer Enterprise Funds.

NOW, THEREFORE BE IT RESOLVED, by the Board of Directors of the South Tahoe Public Utility District that the water and sewer service charge rates for the Fiscal Year 2022/23 included in the attached Water and Sewer Rate Schedules are confirmed, effective July 1, 2022.

WE THE UNDERSIGNED, do hereby certify that the above and foregoing Resolution was duly and regularly adopted and passed by the Board of Directors of the South Tahoe Public Utility District at a Regular meeting duly held on the 19th day of May 2022, by the following vote:
